**\*\*If you refer a friend to Seacoast Security and they sign a contract with us, you'll receive 3 free months of monitoring!**  
(up to \$100)

Valued Customer,

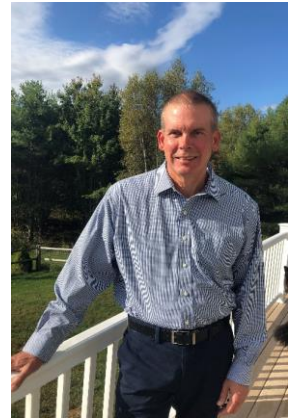

We are excited to bring this newsletter to our customers as spring is looming and we are all looking forward to longer, warmer days. We want to welcome our customers who are snowbirds back to New England and look forward to hearing from you as you open your homes up from the cold slumber of winter.

As you do your spring cleaning, please don't forget to include your security system. Clean up your contact lists, polish winter's grime from your cameras, dust your smoke detectors and don't forget to test your system. Not sure how? Give our monitoring team in Rockport a call and they will put your system on test and coach you through all you need to know!

In addition to testing your system, please keep watch over your basements or first floor spaces for water flow. Nothing ruins a good finished basement like a foot of water! If you have issues with or the potential for moisture in your home, call us to learn about our water sensors. They can save you a lot of headache by warning you of a water issues before you have major damage.

I hope you enjoy this newsletter. As always, feel free to call us if we can help you or answer any questions you have. Our team is available all day, every day.

Stephen Haynes, Vice President and Owner

## *Join Us In Celebrating*

### **Birth of Emmett Cole on March 14<sup>th</sup>**

### ***We'd Love to Hear What You Think***

*This quarterly newsletter is designed to keep our customers informed about new hot topics in the security industry as it relates to our products and services. We would like to know what you think about the current content and what you'd like to hear more about. Send suggestions to [customerservice@seacoastsecurity.com](mailto:customerservice@seacoastsecurity.com). We'd love to hear from you!*

### **What Our Customers Have to Say...**

"Thanks for helping keep our facilities safe and secure!" – Waterville, Maine Customer

We are in the business of customer service and want to express how impressed we were with your Technician Harrison, both his knowledge and productivity. We are very pleased we chose Seacoast Security. – Bangor, Maine Customer

"The two men that installed my system were knowledgeable and very helpful with the questions I had. I'm grateful to have my new security system installed." – Rockport, Maine Customer
