Seacoast Security and
they sign a contract with
us, **you'll receive 3 free
months of monitoring!**
(up to \$100)

Happy Spring!

As we all know by now, just because the calendar says it's spring does not necessarily mean the temps will reflect our much-needed break from freezing cold, snow and ice. I for one can't wait for green grass, planting gardens and fishing lines in the water.

A gentle reminder to you all fortunate enough to enjoy your winter elsewhere, when you open your homes for the summer months, please test your entire security and fire system to ensure it is in full working order. For those of us who are here year-round, please do the same if you have not done so for a while. Some tips for doing so are outlined in this newsletter but if you are still not comfortable, please give us a call and we can walk you through this very simple procedure.

In closing I just want to thank you all for entrusting Seacoast Security to protect your family, home or business. It's a job we all take very seriously and are happy to do it.

Have a fantastic spring!

Stephen Haynes, Owner

WE ARE HIRING AND YELLING IT FROM THE ROOFTOPS!

If you yourself or you know of anyone looking for work or a career change and would like to join our expert team of Technicians and Service Dispatchers in Maine, New Hampshire or Vermont, we want to talk to you or them! Please refer to our website or scan the QR code below for openings and contact Jackie in HR at 207-236-4876 or jackier@seacoastsecurity.com for details!

Non-Traditional Spring Cleaning

It's that time of year when we start our spring cleaning. Most of us don't enjoy the cleaning, but we sure enjoy it when it's done! This year remember to check your home's fire safety. When you are making the rounds, don't forget to clean your smoke and carbon monoxide detectors to clear any dust that may have settled in the alarm. This is also a good time to call our central station and test all of your home or businesses security devices. By taking these extra steps, you'll have peace of mind they will protect you in the event of an emergency. If you have a fire extinguisher, make sure it doesn't need recharging and clear it away from unnecessary clutter so it's quick to grab. If you move the fire extinguisher from its location, make sure everyone else in the home or business knows where it is located. Finally, clean up your emergency contact lists with Seacoast. Ensure that phone numbers haven't changed and that those you have listed can still back you up in an emergency.

Happy Spring Cleaning!!!

A Warm Goodbye

If you've been following our newsletters, you know that we've been boasting about our amazing team and their dedication to our customers - some for the majority of their lives! We're happy to share with you a few who have announced their retirement in the last nine months.

Ellen Morales

8 years in our Central Station as a Dispatcher - Rockport, Maine office

Barbara Orff

17 years in Reception, Billing and Accounts Payable roles - Rockport, Maine office

Lorna Harrington

19 years in our Service department - Bangor, Freeport and Rockport, Maine offices

Mike Giggey (Gig)

36 years as a Technician, Manager and Senior Programmer in our Service department - Rockport, Maine office
