Seacoast Security and
they sign a contract with
us, **you'll receive 3 free
months of monitoring!**
(up to \$100)

Valued Customer,

2022 promises a new start. A new start with our new normal which still feels anything but that! We reminisce back to this time last year and our hopes were high. We continuously swerved through 2021 with our eyes on being able to keep everything in balance and have concluded, that we're still in that same place. We are worried for our families, our communities, our team and our customers. We're committed to taking the extra steps needed to ensure we're focused daily on security and promoting health practices for our employees and our customers.

This newsletter is focused on our greatest asset— our employees. We are 110 strong and it has taken the hard work and dedication of all 110 to make Seacoast Security successful this past year, and will be our propellant as we go into 2022. We are proud of our tenured group - so much expertise we have servicing our customers! We are equally proud of our new group who have taken the gamble and joined us over the past year. We are grateful to this new team for trusting in us, and taking the challenge to learn our business under very unchartered times. Best news is that they are grabbing ahold of what makes Seacoast Security unique and making it happen!

We appreciate your business and know that everyone's doing their best right now. Let us know if there's anything we can do so support your security needs, even if it's not in the traditional fashion. Best wishes for a healthy, prosperous 2022!

Scott and Stephen Haynes, Owners

WE ARE HIRING!

If you know of anyone looking for work or a change of job and would like to join our expert team of Technicians in Maine, please have them refer to our website for openings and an application to apply.

*****Reminder*****

If you received a letter and/or email regarding your cell communicator needing an update, we are approaching the deadline for the AT&T 3G/Non LTE Sunset. As of February 28, 2022, your system will stop sending signals to our central station for dispatch without this update. Please don't wait! Reach out today and secure your spot. If you wait too long, you may go without protections until we can fit you in the schedule. Email Sunset@seacoastsecurity.com or call 800-654-8800, opt 2.
